### **QUIET SPACE**

For anyone needing a quiet place to sit and take time out for themselves, St Giles will be open on Thursdays 4th and 18th September, from 3-4 pm.

### **Jubilee 2025:**

**New global debt crisis.** The number of low/middle-income countries in debt has more than doubled since 2015: 54 countries are now in debt crisis (22 countries in 2015). Despite facing significant poverty burdens, countries are having to make huge repayments on high-interest loans to wealthy banks, institutions and governments, so are unable to fund essential services. CAFOD (international aid charity) is gathering signatures for a global church petition to world leaders, who could make a huge difference. I'm asking you to join with our Roman Catholic friends in signing this petition. I will be at the back of church with it this morning. Heather Morton.
